Effective January 1, 2010

Dear Patient;

It has been a pleasure to serve you as your family doctor and as your family medicine clinic.

As you may know, not all services performed by your family doctor are paid for by Alberta Health Care. Some services, called Uninsured Services, are performed by your family doctor but they are not paid by Alberta Health Care. These services need to be paid by you after you receive the service. Some examples of Uninsured Services are sick notes, parking forms etc.

Our clinic offers 2 ways to pay for some of these services. You can choose to pay for each uninsured service each time you require one or you can choose to buy a Package (Individual or Family).

If you choose to buy an Individual Package for 2010 the Package includes:

- Telephone prescription refills - \$40
- Sick Notes - \$30
- Notes for massage, orthotics etc. - \$35
- Disabled Parking Forms - \$40
- Back to Work Note - \$35
- Fitness Club Note - \$35
- Employment Insurance Disability Forms - \$50
- Physical for school or camp (includes form completion) - \$75
- Certificate of Fitness – \$40
- Maternity Certificates - \$35
- Revenue Canada Tax Credit Form - \$50
- Day Care Note - \$35
- School Camp Form - \$35
- Pre-op consult for an uninsured service - \$100

The list is not exhaustive and may not include some services that you may require from time to time. If there are services that you require that are not included in this list then you will need to speak to clinic personnel in regards to the charge for the service and your Package will not include the cost of the uninsured service that is not listed above.

If you buy the Individual Package then your fee (\$85.00) automatically pays for the service included in the above list.

If you choose a Family Package (\$150.00) each family member will obtain the individual package of services listed above.

If you would like to sign up for an Individual (\$85.00 per calendar year) or Family Package (\$150.00 per calendar year) then you need to complete the following information and send it to the Clinic. Or simply complete the information required below and bring it to the office. If you sign up in person then the receptionist can take your debit card/VISA/Mastercard for payment.

Name: _____ Phone Number: _____

I would like a: (circle one) Individual package (\$85.00) Family Package (\$150.00)

Family Members included in my Family Package are:

Credit Card Number (Visa or Mastercard): _____
Expiry date: _____

Signature: _____

Payment for the package covers the uninsured services in the package for one calendar year from the date of enrolment.

If you would not like to purchase one of our packages then you do not need to complete the above information and you can pay for each uninsured service as they occur.

Sincerely,

Bowmont Medical Clinic
